

Connect to Harvard's Virtual Private Network

By simply connecting to VPN, you get the same world class security tools and protections that you get on campus. Compare the connections below to see the benefits VPN provides.

Excellent: Connecting with Harvard's VPN.

Pretty Good: Connecting with encryption (the little green lock. 🔒)

Very Bad: Working without encryption.

Don't miss out on this benefit!

Visit vpn.harvard.edu or contact your service desk to get connected.
